

Peggy Phoenix Dubro

REFLECTIONS

Channeling the Energy of Grace and Wholeness
One Day Intensive Workshop - March 19, 9:00 - 21:00

Part 1 9:00-14:00

Learn a simple and powerful way to amplify the energy of grace and wholeness within yourself. Use the tools you learn to **transform and accelerate the development of your intuition** ... you know you've got it, time to use more of it! Use your intuitive abilities to **clarify** and **focus** the energy of your intentions into the energy of conscious creation and commitment.

Part 2 15:30-21:00

Learn to give a Reflections Session to others. Peggy initiates attendees to use their intuition in balance with their intellect as they **learn how to reflect and amplify the energy of grace and wholeness to others**. The Reflections Session you learn to give on this day stands on its own as a beautiful way to honor yourself and others. **It can also be used in conjunction with any modality you are practicing.**

Experience what it means to channel more of who you are as you open to the energy of grace, an energy charge of infinite love that fills one's being with the ability to move intention into reality.

Peggy Phoenix Dubro is a distinguished international speaker and teacher whose diverse talents have gained her a worldwide presence in the arena of "new thinking". She has 28 years of experience working with the human energy anatomy and is a leader in the field of energy balancing. Co-founder with her husband in 1995 of The Energy Extension, Inc., Peggy and Steve have teamed up to create cutting edge technology in the field of energy balancing that is both fun and deeply transformational. Their work is practiced and taught in more than 70 countries around the world.

"When I finished my Reflection Session with Peggy, I felt happy, balanced, and filled with insights into my own ability to create my life with greater choice"

"Peggy's ability to clarify intention is laser like and filled with love"

"She amplifies your ability to be aware of your energy, and how to use it with clarity and focus"
